PARC EXPO  
CHORUS  
VANNES

## **List and description of innovations/new products presented by exhibitors and partners**

### **AFI DISTRIBUTION - AQUAVITEX**

Stand 49

16 rue de l'artisanat - 44450 SAINT JULIEN DE CONCELLES - FRANCE

Mr Jean Philippe AUNIS - T. +33(0)2 40 05 34 18 - F +33(0)9 72 33 31 41 - P +33(0)6 58 42 62 65

[jpaunis@afidistribution.fr](mailto:jpaunis@afidistribution.fr) - [www.aquavitex.com](http://www.aquavitex.com)

Activity: AQUAVITEX designs, develops and sells a complete range of professional technical waterproof garments for use in the harshest conditions.

Our innovative spirit is constantly inspired by the fishing, farming, food industry and leisure sectors.

**New product / Innovation:** Two fashion shows will be organised during the show with prototype garments presented at the exhibition.

### **BIRA**

External stand 87

N° 14 Kernaud- 56950 CRAC'H- FRANCE

Mr Serge DUBOIS - T. +33(0)6 85 33 70 25 - [dbs.bira@wanadoo.fr](mailto:dbs.bira@wanadoo.fr)

Activity: Company specialising in research and development of solutions for industry and specifically shellfish farming.

**New product / Innovation:** 100 automatic feeder for weight calibrator. Robotic destacker.

### **BLANCHET SAS**

Stand 34

11-13 Rue des Grèves - 5+33(0)300 AVRANCHES - FRANCE

Mme Florence BLANCHET - T. +33(0)2 33 79 +33(0)4 70 - P. +33(0)6 07 46 31 95 - F. +33(0)2 33 79 04 79

[florence@blanchet-sa.com](mailto:florence@blanchet-sa.com) - [www.blanchet-sa.com](http://www.blanchet-sa.com)

Activity: Manufacturer of customised wood packing and packaging.

**New product / Innovation:** Small printed plywood boat with plastic shell (sealing).

### **CHANTIER BRETAGNE SUD**

Stand 2 and external 84

MANE BRAZ - 56550 BELZ - FRANCE

Mr Hedy KARDOUS - T. +33(0)2 30 91 50 07 - P. +33(0)6 24 60 80 39

[hedy.kardous@orange.fr](mailto:hedy.kardous@orange.fr)

Activity Shipyard, builder of professional, aluminium boats.

**New product / Innovation:** Whaly Multi 500

**COCCI LUCIANO SRL**

Stand 22

VIA MARANELLO, 1 - 47853 CORIANO (RN) - ITALY

Mr David JUDICONE - T. +39541658449 - P. +393351001028 - F.+39541657984

[cocci@cocci.it](mailto:cocci@cocci.it) - [www.cocci.it](http://www.cocci.it)

Activity: Manufacturer of equipment for mollusc farming, for processing and automatic packaging.

**New product / Innovation:** Volumetric doser, wheel calliper, CT 200 floater, worm screw extruder.

**REGIONAL COUNCIL OF BRITTANY FISHING AND AQUACULTURE SERVICE**

283 avenue du Général Patton - CS 21101 - 35711 RENNES CEDEX 7 - FRANCE

Kévin BOULOGNE - T. +33(0)2 99 27 14 89 - F. +33(0)2 90 09 16 17

[peche@bretagne.bzh](mailto:peche@bretagne.bzh) - [www.bretagne.fr](http://www.bretagne.fr)

Activity: Regional authority.

**New product / Innovation:** A long-term partner of the National Shellfish and Marine Aquaculture Show, the region of Brittany accompanies shellfish businesses by supporting those who innovate, modernise or diversify their production. As such, it manages the European fund for maritime affairs and fishing in Brittany to support these projects. For example in 2016, the Region organised a workshop to present existing schemes and answer professionals' questions. For this show, it is also possible to contact them to organise specific meetings for support in putting together projects and applications (+33(0)2.99.27.14.89 or [peche@bretagne.bzh](mailto:peche@bretagne.bzh)).

**EMYG ENVIRONNEMENT ET AQUACULTURE**

Stand 37-38

ZI Avenue Augustin Fresnel - 13470 CARNOUX EN PROVENCE - FRANCE

Mr Mathieu HOVANESSIAN - T. +33(0)4 42 73 30 93 - F. +33(0)4 42 73 30 94

[contact@emygaqua.com](mailto:contact@emygaqua.com) - [www.emygaqua.com](http://www.emygaqua.com)

Activity: Systems for purification, oxygenation, circulation and aeration. Shellfish and crustacean live tanks.

**New product / Innovation 2016:** Homarium range / concept of the "living seafood chain"

**ISAGRI / AGIRIS**

Stand 35

Avenue des Censives - 60000 BEAUVAIS - FRANCE

Mr RAULT - T.+33(0)3 44 06 40 00 - F+33(0)3 44 45 35 72

[info@isagri.fr](mailto:info@isagri.fr) - [www.isagri.fr](http://www.isagri.fr)

Activity: Agiris Entreprises offers a complete range of software to meet all the needs of oyster farmers. Accounting, sales management, sales outlets, pay and HR management. Agiris Entreprises special feature: collaborative working tools. The software is designed to facilitate exchanges with your accountant using the AGIRIS solutions.

**New product / Innovation:** Oyster park traceability software, HR, accounting and invoicing

**INTERMAS**

Stand 61

13 avenue de la Rotonde – CS 7+33(0)905, 59465 LOMME - FRANCE  
Mr Christian GUYOMAR – T. +33(0)3 20 08 05 70 – F. +33(0)3 20 08 05 71  
[infortenetechnologies@intermasgroup.com](mailto:infortenetechnologies@intermasgroup.com) - [www.intermasgroup.com](http://www.intermasgroup.com)

Activity: INTERMAS is a multinational group that manufactures extruded plastic mesh for multiple applications in a range of sectors. Specialised in the aquaculture sector, the company offers solutions to seafood professionals for growing oysters, shrimp, clams, etc., tubular mesh against predators, oyster pots, packing nets or accessories.

**New product / Innovation: The AP6 PLUS bag is the new INTERMAS solution in its oyster bag range. Made of polypropylene it has an anti-UV additive. Available in two mesh sizes (8 and 16 mm), it is the optimal solution in terms of profitability/unit and offers many advantages. Made from a single piece and easy to assembly, it can be suspended on floating systems and is suitable for long-line suspension**

**MARINOVE**

Stand 15-16

Le terrain neuf – BP 305 - 85330 NOIRMOUTIER – FRANCE  
Mr Mathieu MONTERGOUS – T. +33(0)2 28 12 95 11 – P. 07 63 40 49 12 - F. +33(0)2 28 12 95 20  
[mathieu.montergous@marinove.fr](mailto:mathieu.montergous@marinove.fr) – [www.marinove.fr](http://www.marinove.fr)

Activity: MARINOVE selects and breeds shellfish spat (Pacific oysters, flat oysters, clams). Passionate about our profession, we meet the needs of our customers.

**New product / Innovation: New variety of oyster ORKA, selected for their shape, resistance and colour.**

**MIADI- GROUPE ADINFO**

Stand 71

6 rue J Y Cousteau – BP 346 - 850+33(0)9 LA ROCHE SUR YON CEDEX – France  
Mr Frédéric PANNETIER – T. +33(0)2 51 62 03 83 – P. +33(0)6 17 93 49 38 – F. +33(0)2 51 62 07 39  
[frederic.pannetier@groupeadinfo.com](mailto:frederic.pannetier@groupeadinfo.com) – [www.groupeadinfo.com](http://www.groupeadinfo.com)

Activity: Oyster / shellfish production management software. The software manages deliveries, invoices, labelling, traceability, stock, statistics.

**New product / Innovation: Improved ergonomics of the application.**

**PERCUCINE**

Stand 81

6 impasse du Rénir- 56370 - SARZEAU – FRANCE  
Mr Pascal MANGIN- T.07 77 23 40 84 –[perculine@gmail.com](mailto:perculine@gmail.com) –

Activity: The association Perlucine works in several development areas:  
With the various actors concerned (institutions, associations and economic stakeholders) they develop actions to reduce the quantity of oyster shells of the various targeted sectors by creating long-lasting and sustainable alternatives. The development of various job-creating production workshops to meet the needs of stakeholders and the region and taking into account the environment, well-being and the economy.

**New product / Innovation: The agricultural improver, Ostrécal oyster shell powder produced by the Usine de Kerverlleren. Ostrashell, oyster shell powder for cosmetic use produced by the company Entre Mer et Terre**

**POLE EMPLOI**

Stand 66

17 Route de Nantes- CS 20027- 56891 - SENE – FRANCE  
Mr Ronan RIOU- T.+33(0)2 97 01 59 24 –[ronan.riou@pole-emploi.fr](mailto:ronan.riou@pole-emploi.fr) –

Activity: support for job seekers and companies in their employment projects.

**New product / Innovation:** Since 2016, with sea professionals, the Regional Council and the State, Pôle Emploi organises the "Semaine de l'Emploi Maritime". This event will take place in 2018 in six coastal regions, and aims at promoting all the sea-based professions, maritime training courses and facilitating meetings with companies working in the maritime sector.

A special website [www.semaine-emploi-maritime.fr](http://www.semaine-emploi-maritime.fr) complete the action to match the digital service offered by Pole Emploi to companies. This site is one of many new services offered to companies: profile banks, mobile application, corporate page, etc.

## **POLE MER BRETAGNE ATLANTIQUE**

Partner stand

85 avenue Alexis de Rochon – 29280 Plouzané - France

Rachel SELLIN – T. +33(0)2 98 05 63 17

[rachel.sellin@polemer-ba.com](mailto:rachel.sellin@polemer-ba.com) – [www.pole-mer-bretagne-atlantique.com](http://www.pole-mer-bretagne-atlantique.com)

Activity: Competition cluster – collaborative innovation

**New product / Innovation:** With the primary mission of **getting together professionals, companies and training-research centres**, Pôle Mer provides support for **collaborative innovation projects for new products and services** in the maritime sector, including **aquaculture and marine cultures**. Pôle Mer can help in **the search for public and private funding** for these projects, and in the **promotion of their results**. Several key events are planned during the show with the **central innovation area** and **presentations** jointly organised with the regional shellfish farming committee of south Brittany and its partners.

**CENTRAL INNOVATION AREA organised by Pôle Mer Bretagne Atlantique**

**ANTELIS COIC ASSOCIES** - 44230 SAINT SEBASTIEN SUR LOIRE - Legal and financial support for innovative companies in terms of sustainable development / Mr Jean-Pierre Coic, - P. +33(0)6 15 17 00 28 - [jpcoic@antelis.com](mailto:jpcoic@antelis.com)

**ECOPLAGE** - 44980 SAINTE LUCE SUR LOIRE - Drainage device used to obtain a large quantity of perfectly filtered seawater / Mr Arnaud Ballay – P. +33(0)6 22 12 05 16- [arnaud.ballay@ecoplage.fr](mailto:arnaud.ballay@ecoplage.fr)

**FLEXSENSE** -85000 LA ROCHE-SUR-YON – The connected oyster: **Flex-spy (to combat theft and monitor temperature) Instrumented buoy: Flex**-analyser (real-time measurement of environmental data, swell and current) Mr Sylvain Dardenne - P. +33(0)6 46 30 58 01 - [sd@flex-sense.com](mailto:sd@flex-sense.com)

**LABOCEA**-29280 PLOUZANE - New **analyses of seawater quality for oyster growing among other activities.** Presentation of **8 identification markers of sources of fecal contamination in water and development for shellfish** / Mr Gaël Durand – P. +33(0)6 80 33 17 11 - [gael.durand@labocea.fr](mailto:gael.durand@labocea.fr)

**NKE**- 56700 HENNEBONT – Compact, autonomous system for monitoring physical-chemical water parameters, to optimise oyster production quality / Mr Valérie Le Pen -T. +33(0)2 97 36 41 31 - [vlpen@nke.fr](mailto:vlpen@nke.fr)

## **POLYWAY**

Stand 26

Rue du Pré du pas – 44490 LE CROISIC – FRANCE

Mr Stéphane SOULARD - T.+33(0)2 40 23 14 33 – P. +33(0)6 60 03 14 33 – F. +33(0)2 40 23 08 08

[stephane.soulard@polyway.fr](mailto:stephane.soulard@polyway.fr) - [www.polyway.fr](http://www.polyway.fr)

Activity: Specialist in composite trays for aquaculture and marine cultures.

**New product / Innovation:** New range of ultralight and economical biocomposite screen Tube. Complete solution for shell purification.

## **RCA**

Stand 75

7 route d'Escoussans – 33760 TARGON - FRANCE

Mr Franck LEGRAS – T. +33(0)5 56 19 29 13 -P. +33(0)6 34 19 29 13 – [rca-groupe@sfr.fr](mailto:rca-groupe@sfr.fr)

Activity: RCA sells refrigeration units for industry with special equipment for each application. Our specialty: test benches for shellfish farming.

**New product / Innovation / A refrigeration unit including tank water infiltration and purification.**

**S2M OUEST- SÆPLAST**

Stand 70

136 rue de Verdun- 29200 BREST – FRANCE

Mr Franck FLATRES – T.+33(0)2 98 41 78 67 – P. +33(0)6 70 51 74 71  
[s2m-ouest@orange.fr](mailto:s2m-ouest@orange.fr) – [www.s2m-ouest.com](http://www.s2m-ouest.com)

Activity: S2M OUEST distributes SÆPLAST products – Shell purification tanks (450 and 700L), isothermal boxes (70 to 1400 L) pallets, industrial box pallets. Our products are also available for hire.

**New product / Innovation: 450 litre purification tank**

**SMO SERVICE MAINTENANCE OSTRÉICOLE**

Stand 44-54

Les Hauts de Kergorange 56370 SARZEAU – FRANCE

Mr Eric BLANCHO – T. +33(0)6 86 96 83 82  
[eric.blancho@orange.fr](mailto:eric.blancho@orange.fr)

Activity: Oyster and mussel maintenance and services – Sale and repair of your equipment, pumping – seawater oxygenation.

**New product / Innovation: Water treatment and storage tank.**

**SYNOXIS ALGAE**

Stand 79

ZI LES RELANCIERES NORD- 44850 LE CELLIER – FRANCE

Mr Thierry BEIGNON–T. +33(0)2 40 25 52 49 – P. +33(0)6 66 65 53 59 - F. +33(0)2 40 25 58 64

[t.beignon@synoxis.com](mailto:t.beignon@synoxis.com) - [www.synoxis-algae.com](http://www.synoxis-algae.com)

Activity: Synoxis Algae is the biotechnology subsidiary of the French plastics company Synoxis. It is specialised in the design and manufacture of microalgae production systems. The role of Synopsis Algae is to spread microalgae culture to fish-farming. Its first Photobioreactor in the LUCY range can be used to manage daily the first grams of microalgae required to upscale volumes for the following cycles

**New product / Innovation: Photobioreactor to widen the culture of microalgae. It is flexible, efficient and affordable.**

**TECHNIQUE CONCEPTION CONTROLE**

Stand 30

ZAC LAZZARO- 3 rue de l'avenir - 14460 COLOMBELLES – FRANCE

Mr Pierre GILBERT– P. +33(0)6 87 84 85 01  
[pierre.gilbert@wanadoo.fr](mailto:pierre.gilbert@wanadoo.fr) - [www.tcc-france.com](http://www.tcc-france.com)

Activity: Design and manufacture of oyster farming equipment. Installer of video monitoring equipment

**New product / Innovation: Aerial views by video and Drone photos.**

**UBIDREAMS**

Stand 17

1 place Bernard Moitessier – 17000 LA ROCHELLE – FRANCE  
Mr Max TESSIER – T. +33(0)5 16 49 27 26 - P. +33(0)6 80 55 38 59  
[contact@ubidreams.com](mailto:contact@ubidreams.com) – [www.ubidreams.com](http://www.ubidreams.com)

Activity: Ubidreams is a company specialising in developing digital transformation projects in the Blue Economy (mobile applications, tablets, connected objects). Ubidreams is based in La Rochelle and has developed a centre of excellence in the Maritime Economy. We design digital solutions specific to this sector.

**New product / Innovation: Connected buoy, monitoring of fishing pots, mussel farming surveillance, rope techniques, etc.**

### **VENDEE CONCEPT**

Stand 34

ZI Sud Belle Place - 57 rue Fleming – 85000 LA ROCHE SUR YON – FRANCE  
Mme Chloé FAVRE – T. +33(0)2 51 37 46 79 – F. +33(0)2 51 36 17 71  
[chloe.favre@vendeeconcept.com](mailto:chloe.favre@vendeeconcept.com) - [www.vendeeconcept.com](http://www.vendeeconcept.com)

Activity: Manufacture of industrial machines for the food industry.

**New product / Innovation: New-generation, dual-line oyster calibration line with ejection stations.**

### **YAD MARINE**

Stand 25

2 rue des Alouettes – 50770 PIROU – FRANCE  
Mme Corinne RAGUENEL – T. +33(0)2 50 52 01 79 – P. +33(0)6 25 69 36 21 - F. +33(0)2 33 45 65 46  
[corinneraguenel@cegetel.net](mailto:corinneraguenel@cegetel.net)

Activity: Elastics and hooks for shellfish farming. High mechanical efficiency. Mussel bags: special oyster production.

**New product / Innovation: The YAD MARINE Booster**
